

INSTRUCTIONS

Submissions should be in English. The author is responsible for scientific accuracy, originality, and the formal appropriateness of the article. If the submitted article has been published in another journal, it cannot be accepted. The scientific board has the right to refuse publication of the article.

The articles should be submitted electronically using MS Word and in doc format. The editorial board may, if necessary, formal edit received articles.

The text of the article should be divided into chapters in the same structure as an abstract (research purpose, methodology/methods, scientific goal, findings and conclusions). Titles of chapters must be numbered. Do not include page numbers. Text of the article should be written according the template.

Charts and graphs should be numbered and the references must be in the text. Pictures and graphs must be visible and clear even in a black and white version. The source from which the author obtained the material should be written under every chart and graph.

Formulas should be numbered. The number should be written in font size 9.5 in parentheses, aligned to the right margin and next to the formula.

Length of article: **maximum** length should be **4 pages of A4 format**.

References to literature should be presented according to ISO 690. The list must contain only sources used in the text. References should be presented in the text in its respective place with an indication number in square parentheses. Footnotes are not allowed. At the end of the article in the bibliography, the indicated number should be written. Other information for the preparation of articles are given on the website of the journal (www.infoma.fri.uniza.sk/mse.php).

Author's address: The author should present his/her contact information and co-authors' as well below the list of references. It must consist of a first name and surname (including titles and degrees), name of university, name of faculty, name of department (institute) and e-mail address.
